

THE "NAILERS" LEAVE.

This morning at 10 o'clock the Wheeling team will leave for the west. They will play twelve games abroad, opening tomorrow afternoon at Toledo, and playing three games in each of the following cities: Toledo, Jackson, Saginaw and Fort Wayne. On August 15 the Nailers will be here again for a series of twelve games with the four western teams. It was said yesterday that the Wheeling management would refuse to go west unless President Power would remove McInerney from his staff of umpires. This, however, is not true, as such action would be rank rebellion. Mr. Power can probably arrange to have McInerney out of the games in which Wheeling figures.

Wheeling	6	5	.545
Washington	5	6	.455

Saginaw	2	9	.182

Yesterday's winners—Jackson, Toledo 2, Washington.

Today's games—None.

The Wheeling lost an eleven-inning game yesterday because Whaling missed Robinson's fly in the ninth and Umpire Will White gave Jackson the benefit of a doubtful decision in the same inning. It was a close-out, but the umpire cannot be blamed greatly, as he is not infallible. Then, after Jackson had made one run, tying the score, the two teams struggled through two extra innings until the visitors jumped out to Baker in their half of the eighth and won out.

The Wheeling put up a better fielding game than the Jacksons, but the latter hit Baker harder than Wheeling could pound Flaherty, who, like most left-handers, had the Nailers guessing. A feature was the heavy hitting of Delsel, the Jackson short-stop, who had four hits. Hardesty, as usual, got in his three hits and, notwithstanding his two errors, played a fine game.

At second, Wagner made a beautiful stop in the ninth that prevented the visitors from winning in that inning. Wheeling scored once in the second on hits by Whaling, Whaley and Gallagher. Two men were thrown out at the plate, unfortunately. In the third inning Davis reached first on a single and made the circuit on Shields' single and an error by Hardesty, who muffed a throw to catch Shields at second.

On a combination of errors, a base on balls and a hit, the Wheelings scored three runs in the fourth. In the same inning the visitors got three on good clean hitting, Baker seeming unable to puzzle the heavy hitters of the visiting team.

No more runs were made until the ninth, when Jackson got one and tied the score. Hobrecht and Pritchard were out, but Hardesty sent a slow one to Thurston, who fielded the ball cleanly, but rather slowly, and Umpire White called the runner safe. It was a close decision, and as usual in such cases the runner got the benefit of the doubt. Robinson singled and Hardesty went to third. Curtis popped up a fly back of first near the fence, but Whaling muffed it, and Curtis got another chance to hit the ball, which he took advantage of by singling scoring Hardesty. Myers hit it sharp one down the third base line which looked safe, but Wagner made a beautiful stop and a fine throw to first, retiring the side. A mighty sigh of relief went up from the crowd, which was on the needles of dread.

Wheeling was easy in the tenth, but Jackson made two hits and looked good to score. Corcoran led off with an out. Then Delsel and Flaherty made hits. Hobrecht bunted, but Davis made a great throw to Wagner, retiring Delsel at third. Pritchard retired the side on a fly to Shields, who had been putting up a magnificent game in center.

In the eleventh the locals went down in order. Hardesty led off with a clean two-bagger and was sacrificed to third by Robinson, whence he scored on Curtis' single to right.

It was tough luck. Score: WHEELING, AB. R. BI. PO. A. E. Little Senators Win
From Saginaw, Making It Two Out of Three—An Excellent Game.

Special Dispatch to the Intelligencer.
WASHINGTON, Pa., July 29.—The Log Rollers from Saginaw made enough errors to let Washington win the game this afternoon. Cogswell, who pitched Monday, tried his hand again and was effective. J. Sowders was in good form, but he was replaced by Beadle in the eighth. A great stop by Stout at third was a feature. Two errors, a single, a base on balls and a two-bagger, netted four runs for Washington in the fifth inning. It was an exciting contest. The score:

Sometimes the most careful women are the most careless. Many a woman bundles herself up, puts on heavy clothing and keeps her feet warm to keep out the cold, to keep out sickness—when she is neglecting the very worst sickness that can come to a woman. It is allowed to grow, to become worse, to slowly and surely sap her vitality. The little pain and the other slight indications of trouble seem to her unimportant. She pays no attention to them. By and by they grow a little worse, but she is used to them and she takes them as a matter of course. By and by they have grown into dragging pains that occasionally keep her in the house—that occasionally put her to bed. Then she knows what is the matter, but she won't go to a doctor because she knows he will insist on "examinations" and "local treatment." She won't do that. She will keep suffering, until life itself becomes a drag. Nervousness, "sinking spells," digestive disturbances, and fifty other complications may arise from the same cause. Frequently such symptoms are treated as digestive diseases when the root of the whole matter is a derangement of the organs distinctly feminine. Over the years ago, a safe remedy for a reliable remedy for "female complaints," was recognized by Dr. R. V. Pierce, then, as now, chief consulting physician to the World's Dispensary and Invalids' Hotel, at Buffalo, N. Y. He prepared "Pierce's Favorite Prescription," the most wonderfully effective remedy that has ever been used for such maladies. Its sale now exceeds the combined sales of all other medicines for women. Its effect is perceptible almost immediately. It relieves pain, allays inflammation, checks debilitating drains, and quickly subdues other distressing symptoms. It cures the organs and their surrounding tissues strong and healthy, thereby correcting displacements and invigorating the whole body.

THEORIES of cure may be discussed at length by physicians, but the sufferers want quick relief; and one Minute Cough Cure will give it to them. A safe cure for children, it is "the only harmless remedy that produces immediate results." Charles R. Goetz, corner Twelfth and Market Streets; Bowie & Co., Bridgeport; Peabody & Son, Benwood.

LAST summer one of our grand children was sick with a severe bowel trouble. Our doctor's remedies had failed, then we tried Chamberlain's Colic, Cholera and Diarrhoea Remedy, which gave very rapid relief. It is now regarded it as the best medicine ever put on the market for bowel complaints. Mrs. E. G. Gregory, Fredericktown, Mo. This certainly is the best medicine ever put on
